Re: Change in Forum Domain Name

Date: May 12, 2009

During the past several months, we have been experiencing some technological difficulties in communicating by email with our members. After a thorough review of our system and consultation with experts, we have been advised that changing our domain name will help to correct this problem. This means that we will be 'retiring' the foew.com domain name, but will redirect traffic accordingly.

Therefore, we are sharing the following information with you for your reference so that you can change the following addresses in your online address book. We would also ask that you "whitelist" our email addresses either through your own spam filter/junk mail settings or via your IT department to avoid any issues from the get-go.

1. Effectively immediately, our new website address is:

[www.forumofexecutivewomen.com](http://www.forumofexecutivewomen.com)

Please bookmark it in your web browser so you can simply select it out of your favorite links. We will redirect traffic from foew.com for a limited time.

2. The Forum's new email address is:

[info@forumofexecutivewomen.com](mailto:info@forumofexecutivewomen.com)

Please add it to your address book and whitelist the address in your spam/junk settings.

3. For the next 6 months, all e-mail to our old address will be redirected to this new site.

4. Addresses of our Forum team have changed as follows so please whitelist as well:

<u><a href="mailto:sharonhardy@forumofexecutivewomen.com">sharonhardy@forumofexecutivewomen.com</a></u>	Executive Director
<u><a href="mailto:judygrossman@forumofexecutivewomen.com">judygrossman@forumofexecutivewomen.com</a></u>	Associate Director
<u><a href="mailto:info@forumofexecutivewomen.com">info@forumofexecutivewomen.com</a></u>	Forum of Executive Women

5. Creating your own Forum Password

If you would like to create a new password for access to **Member Only** information on our website, we encourage you to do that. While you will need to keep the same user name, to create your own password simply:

- a. Log into [www.forumofexecutivewomen.com](http://www.forumofexecutivewomen.com) using your old password. That will bring you to the Current Member Directory page.
- b. Scroll down and click on Update Your Member Profile.
- c. Type in your new password and confirm your new password. In order to have a secure password, we suggest that the password **be at least eight (8) characters long with a combination of letters and numbers with no spacing.** (Try not to choose a dictionary word.)
- d. Click on "Save" at the bottom of the page.

Our apologies to any of our members who have experienced any difficulties with The Forum's email system, and our sincere thanks for your patience in the process. Our website is rich in information and we hope you will take advantage of it to add value to your Forum membership.

If you still do not receive regular communications from The Forum via email, please call The Forum Office so we can attempt to troubleshoot the issue.

Please contact The Forum Office (215-628-9944 or [info@forumofexecutivewomen.com](mailto:info@forumofexecutivewomen.com)) if you have any questions.

Again, thank you for your support.
